

Practice Nurse

About the opportunity:

Rivergum Village Medical Centre is currently seeking a professional, motivated and passionate Practice Nurse (RN) who has an interest in skin to work 2 days per week (days to be agreed). Ideally you will also have some flexibility to assist with leave coverage across other sites.

We are looking for an experienced Practice Nurse (RN) to join our friendly team of professionals (GP's, Nurses, Receptionists and Dermal Therapists).

About the role:

The role will be a combination of general practice nursing, preventative health and also some work in the skin space (particularly Miradry treatments). Your friendly yet professional personality will ensure that you build strong relationships with the team and also our patient base.

To be successful in your application, you will have:

- Registered Nurse with current AHPRA registration
- Previous experience in a General Practice setting
- Certification as Nurse Immuniser (highly desirable)
- At least 3 years' experience of General Nursing
- Exceptional time management and organisation skills
- Team Player who can also work autonomously taking on responsibility when required
- Have excellent communication and interpersonal skills
- Be computer literate; and
- Highly motivated and flexible to work a range of shifts (across different locations)

Duties include (but not limited to):

- Wound Management
- Immunisations - Childhood, Adult & Travel Vaccines
- Chronic Disease Management Plans & Health Assessments
- Triage and result management
- Assist doctors with minor procedures
- General nursing appointments
- Miradry procedures

If you are interested in this opportunity or would like more information, please forward applications (including cover letter and resume) to Louise Brooks via email lbrooks@lifelonghealthcare.com.au
